APRIL IS POETRY MONTH

When power leads man toward arrogance,
poetry reminds him of his limitations.
When power narrows the area of man's
concern, poetry reminds him of the
richness and diversity of existence.
When power corrupts, poetry cleanses.
John F. Kennedy, 1963

Celebrate National Poetry Month 2025 using the theme FAMILY in its many forms: found and chosen family, birth family, and family that defies categorization.

This April, turn to poetry to celebrate, cherish, mourn, critique, and explore the myriad bonds that family forms in our lives. Parents, pets, friendships, soulmates, siblings, plants, and beyond: the League invites you to examine the shape of family in your life now, to witness the intergenerational impact of ancestors, and to consider the role of family in generations to come.

For more information, please visit the League of Canadian Poets website www.poets.ca or drop in at your local library!
